Representing manufacturers of quality equipment for the electrical industry for over fifty years

Substation Equipment Manufacturers

Alcad Standby Battery Systems	World Leader in Nickel Cadmium Battery Systems and Battery Chargers
Basler Electric	Protective Relays, Plug-and-Play Replacement Relays, Generator/Synchronous Motor Protection, Excitation and Voltage Regulation System Protection
BTECH	World leader in battery monitoring
DILO	SF6 Gas Test & Maintenance Equipment
Dynamic Ratings Inc.	Transformer Monitoring, Control and Communications (Transformers, Bushings, Generators, Bus Duct, and Breaker Monitoring)
Eaton / Cooper Power Systems	Liquid Filled Small Power Substation and Pad Mount Transformers, Pad Mount Switchgear, Dead Front Cable Terminations, Voltage Regulators, Power Capacitors Banks, Surge Arresters, Sector Boxes, M-Force Switches & Reclosers
Electro Industries	Energy Metering Solutions: Power Quality Metering & Data Collection Software for all metering applications;
Elgin Power Solutions	Metal Enclosed, High Voltage Capacitor Banks, Reactors, Custom Switchgear, Specialty Enclosures, Mobile Substations, Capacitor Banks & Metal Enclosed Switchgear, Prefabricated Substations, Transmission & Distribution Substation Turnkey Solutions
KVA	Relay Panels, Metal and Pre-Cast Control Buildings
Mesa Technical Associates	Tubular and flat plate selenium batteries and charging systems
Modular Connections	Pre-Cast Substation Parameter Walls, Pre-Cast Control Houses, Fire Walls, Ballistic and Fire Related Capabilities
PASCOR (Pacific Air Switch Corp.) PASCOR Atlantic (formerly ABB)	MV & HV Substation Air Break Switches & Motor Operators
Powercon Corporation	MV Metal Clad & Metal Enclosed Switchgear, Load Break Switches, Bus Duct, and Related Field Services
Shallco	Utility and Industrial Switching Solutions
SPX Transformer Solutions, Inc.	Power Transformers, Transformer Services & Repairs, Load Tap Changer Components & Services, LTC & Transformer Training
Vanquish Fencing	Substation Animal Mitigation Fencing, Security Fencing, Ballistic Fencing & Decorative Fencing

Transmission / Distribution Equipment Manufacturers

Advanced Controls Systems (ACS)	SCADA, Distribution Management, Substation and Feeder Automation
BPEG	Air Core Reactors up to 800kV HVDC; Shunt Reactors, Line Compensation Reactors, & Current Limiting Reactors
Carte	Network, Submersible, Three Phase Power and Padmount Transformers
Falcon Steel	Steel Transmission Poles, Lattice Towers, & Substation Steel Structures
Nanjing Electric	Toughened Glass Transmission Insulators

Lighting Equipment Manufacturers

Ripley Lighting Controls Sunrise Technologies / Fischer-Pierce	Electronic Photo-Controls (HID / LED)
Valmont / Lexington Industries	Aluminum and Steel Lighting Poles and Arms
W. J. Whatley, Inc.	Composite Poles, Ornamental Lamp Posts, Bollards

Specialty Equipment Manufacturers

Crown Electric Engineering	ISO Phase Bus, Circular Non-Segregated Bus, Transformer and Generator Throats
Megger	The World's Leader in Electrical Test Equipment
