Representing manufacturers of quality equipment for the electrical industry for over sixty years

Basler Electric	Protective Relays, Generator/Synchronous Motor Protection, Excitation and Voltage Regulation System Protection
Carte	Network, Submersible, Small Power and Padmount Transformers
Delta-X	Transformer Oil Analyst (TOA) manages and interprets your high-voltage transformer insulating fluid data
DILO	SF6 Gas Test & Maintenance Equipment (Breakers)
Dynamic Ratings Inc.	Asset Health Monitoring, Control and Communications (Transformer, Bushings, Bus Duct, & Breaker Monitoring)
Eagle Eye Power Solutions	Battery Monitoring, Stationary Chargers, Load Banks, Portable Battery Testers
Electro Industries (EIG)	Power Quality Metering & Data Collection Software
GE Vernova	Instrument Transformers, Circuit Breakers, GIS and services
KVA	Relay Panels, Metal and Pre-Cast Control Buildings
Filtration Solutions Inc	Oil Trailers, Air Trailers and Battery trailers
MICA Steel Works	Steel Transmission Poles, Lattice Towers, & Substation H-Frames
PASCOR (Pacific Air Switch Corp.) PASCOR Atlantic (formerly ABB)	MV & HV Substation Air Break Switches & Motor Operators
Powercon Corporation (Federal Pacific Company)	MV Metal Clad & Metal Enclosed Switchgear, Load Break Switches, Bus Duct, and Related Field Services
Priority Wire and Cable	Aluminum and copper wire and cable, AAAC, AAC, ACSR, Steel guy wire, Tri-plex, Tracer wires, Fiber Optic Cable and ground rods
Prolec GE Waukesha	Power Transformers & Reactors, Transformer Services & Repairs, Load Tap Changer Components, & Training.
SLACAN	Transmission & Distribution line hardware
Systems with Intelligence (SWI)	Thermal Monitoring and Visual Imaging for Electrical Assets in Substations
TMC USA	Medium and Low Voltage Dry Type Transformers
VAISALA	Comprehensive Multi-Gas DGA Monitoring for Power Transformers
Unifin/Cardinal Pump	Transformer Oil Circulating Pumps, Valves, & Oil Coolers
